

## A pluralistic open license

© 2020 XPUB - SPECIAL ISSUE 13

Permission is hereby granted, free of charge, to individual, group(s), and non-profit organization(s), obtaining a copy of this project, to use, copy, print, modify, merge, distribute, and/or sell contents or copies of the project, in whole or in parts, subject to the following conditions.

### We encourage you to:

- Introduce the project to your neighbours, friends, family, etc;
- Translate the contents into other languages;
- Create new dramaturgies (structures, stories, worlds) from the contents;
- Extend this license, as long as the kinship, commercial use and attribution conditions remain in force.

### Kinship:

Kinship implies co-relations between Wor(l)ds For The Future and further distributions which will potentially be made.

If you want to republish and re-distribute the content, verbatim or derivative, we ask you to send us a copy. By copy we mean a copy of the republished content. For instance, if it is a print or a physical object please send it to XPUB/ WH4.141 t.a.v. Piet Zwart Institute/ WdKA/ Rotterdam Uni. Postbus 1272 300 BG Rotterdam, NL. If it is a file please send it to pzwart-info@hr.nl /attn: XPUB cc. If it is a change in a cloned git repository of the work, please send a patch so we can archive it in a branch.

Which means, if you clone or download our git repository (<https://git.xpub.nl/XPUB/issue.xpub.nl/src/branch/master/13>) to modify the project files, we ask you to send us the modifications so we can archive them as well.

### Commercial use:

Commercial use is only permitted if no profit is derived. Said differently, you can sell copies of the work only to cover the costs of the distribution, printing and/or production, needed to circulate copies of the work. We are asking you to be transparent about such expenses.

### Attribution:

The above copyright notice and this license shall be included in all copies or modified versions of the project. Any re-publication, verbatim or derivative, of the contents must explicitly credit the name(s) of the author(s) of WORDS FOR THE FUTURE, as well as those of the author(s) of WOR(L)DS FOR THE FUTURE. This attribution must make clear what changes have been made.
